CANOE CLUB

Ma‘ili Beach Regatta

July 8, 2023

*A strong woman knows she has strength enough for the journey,
but a woman of strength knows it is in the journey where she will become strong.*

Today we honor such a woman. Margaret “Mags” D’Entremont was born and raised in Haleiwa, now resides in Nanakuli, and paddles in Wai’anae for our canoe club. In 2016, we were blessed to have such an amazing woman join our Ka Mō’ī ‘ohana. Her accomplishments, just to name a few, are Nā Wahine O Ke Kai (6), Na Pali (4), Pailolo Challenge (4), Dad’s Center (4), and E Lau Hoe (2).

“I Started paddling when I was 50. It has become a lifestyle. I love the physicality of it, the people I have met and now call ‘ohana. When you paddle distance, you truly bond as sisters. The best part of paddling is being one with the ocean. It just feels right. I forget about everything and just paddle. It has become my mantra for all challenges now; just paddle, just keep going, just persevere, just don’t stop! I have found a home at Na Keiki O Ka Mō’ī. Everyone has embraced me as ‘ohana. I am proud to be able to help and give back to the club I love. Imua Ka Mō’ī!”

To say that Mags has helped and given back to our club is an understatement. Mags is our saving grace. Her commitment and dedication are immeasurable. Without Mags, our wa’a would not be full. She is our club registrar as well as our club rep, attends all the association meetings and keeps us informed and intact!

Mags is a committed person all around. She is employed at Grace Pacific and is going on 18 years there. She is a materials Supervisor and handles all dispatches at the HMA (hot mix asphalt) plants and quarry. She takes care of the admin and compliance for the quarry and the 4 asphalt plants – Kalaeloa, Kapa’a, Kauai, and Kona. She also manages material and fuel inventories for all locations.

Mag’s biggest commitment is to her ‘ohana. She is blessed with 2 gorgeous daughters and 8 beautiful looking grandchildren. They are her world, a part of her journey that makes her strong. She is valued. She is worthy. She is appreciated. She is loved. She is Ka Mō’ī. We are grateful for all you do for our club and thankful to your ‘ohana for sharing you with us.

Please submit a 2-3 minute video, slides, or audio presentation (no video or pictures of the scholarship candidate since we use a blind scoring method). Explain:

Was there any aspect of the pandemic that helped the sport of outrigger canoe paddling? How did the pandemic affect your canoe club (I.E., membership, coaching, camaraderie)? What did you do about it? Taking the lessons learned from the pandemic, how can we promote or expose the sport to attract more paddlers? What can we do as a paddling community to encourage more paddling?
